

Everingham & Kerr, Inc.

Merger & Acquisition Advisors focused on the Lower Middle Market

Everingham & Kerr, Inc. is pleased to announce that

Business Card Express has been acquired through a Family Buyout

Haddon Heights, NJ – June 30, 2005

Everingham & Kerr, Inc. announced today that Business Card Express (“BCEX”) has been acquired through a Family Buyout. Terms of the transaction were undisclosed.

Business Card Express of New Jersey was founded in 1989 as a family business and has grown to be the largest thermographer in the region. BCEX is a high quality manufacturer of stationary products, primarily business cards, who offers it’s customers cutting edge technology to handle the most sophisticated work. The Company is located in Marlton, New Jersey.

For the past 16 years, BCEX has delivered quality stationery products to their large network of dealers. The Company provides it’s customers with a portal for placing stationery orders, uploading artwork and support. To learn more about the Company, please visit www.bcex.com.

Everingham & Kerr, Inc. initiated this transaction, acted as financial advisor and negotiated the transaction for Business Card Express.

For more information on this transaction, please contact Joseph Vanore at jav@everkerr.com or 856.546.6655 x14

About *Everingham & Kerr, Inc.*

Everingham & Kerr is a merger and acquisition advisory firm that specializes in providing intermediary services for lower middle market companies and entrepreneurs. The firm assists clients across all industries and offers various services including mergers, acquisitions, divestitures, valuations, and transaction consulting. The firm's client base has included public and private corporations, investor groups, individual entrepreneurs, management buyout groups and family buyout participants. Everingham & Kerr’s focus is on providing lower middle market companies with highly professional services typically available only from large investment banks servicing much larger clients. The firm provides the resources and highly experienced personnel necessary to ensure maximum results produced efficiently and confidentially.
