

Everingham & Kerr, Inc.

Merger & Acquisition Advisors focused on the Lower Middle Market

Everingham & Kerr, Inc. is pleased to announce that
Atlantis Industries, Inc.
has been acquired by
Murray Corporation

Mt. Laurel, NJ – August 18, 2008

Everingham & Kerr, Inc. announced today that the primary business operations of Atlantis Industries, Inc. (“*Atlantis*”) have been acquired by Murray Corporation (“*Murray*”). Terms of the transaction were not disclosed.

Atlantis, founded in 1962, manufactures injection molded plastic products and related items primarily for automotive, military, medical, plumbing and industrial applications. The Company is headquartered in Milton, Delaware. For more information about Atlantis, visit www.atlantisusa.com.

Murray manufactures fasteners, clamps, metal stampings, and specialized tools for the automotive, truck, off highway, agriculture, municipal, military, marine, irrigation, beverage, and plumbing markets. It is headquartered in Hunt Valley, Maryland. For more information about Murray, visit www.murraycorp.com.

Everingham & Kerr, Inc. initiated this transaction, acted as financial advisor and negotiated the transaction for Atlantis Industries, Inc.

For more information on this transaction, please contact Richard J. Ward, Jr. at rjw@everkerr.com or 856.546.6655 x117.

About *Everingham & Kerr, Inc.*

Everingham & Kerr is a merger and acquisition advisory firm that specializes in providing intermediary services for lower middle market companies and entrepreneurs. The firm assists clients across all industries and offers various services including mergers, acquisitions, divestitures, valuations, transaction consulting and exit planning. The firm's client base has included public and private corporations, investor groups, individual entrepreneurs, management buyout groups and family buyout participants. Everingham & Kerr's focus is on providing lower middle market companies with highly professional services typically available only from large investment banks servicing much larger clients. The firm provides the resources and highly experienced personnel necessary to ensure maximum results produced efficiently and confidentially.
