*Everingham & Kerr, Inc. is pleased to announce that*  
**Joseph A. Vanore, Jr. & Daniel R. Everingham**  
**have achieved the professional certification of**  
**Chartered Merger & Acquisition Professional (CMAP)**

**Mt. Laurel, NJ – September 2010**

Everingham & Kerr announces that Joseph A. Vanore, Jr. & Daniel R. Everingham have achieved the prestigious professional certification of Chartered Merger & Acquisition Professional (CMAP), the elite credential awarded by the Middle Market Investment Banking Association (MMIBA) and its affiliate, The National Association of Certified Valuation Analysts (NACVA). Individuals who have been awarded this designation must pre-qualify based on experience, submit documentation for board review, pass the required exams and meet the Association's rigorous standards of professionalism, expertise, objectivity, and integrity in the field of Mergers & Acquisitions.

The MMIBA was established to fill a void within the small to middle market investment banking community. The Association's primary purpose is to provide education to enhance the knowledge, efficiencies, and access to resources for those individuals providing M&A services. The organization provides affiliation with a high-profile and highly respected group of M&A professionals.

## **About Everingham & Kerr, Inc.**

Everingham & Kerr is a merger and acquisition advisory firm that specializes in providing intermediary services for lower middle market companies and entrepreneurs. The firm assists clients across all industries and offers various services including mergers, acquisitions, divestitures, valuations, transaction consulting and exit planning. The firm's client base has included public and private corporations, investor groups, individual entrepreneurs, management buyout groups and family buyout participants. Everingham & Kerr's focus is on providing lower middle market companies with highly professional services typically available only from large investment banks servicing much larger clients. The firm provides the resources and highly experienced personnel necessary to ensure maximum results produced efficiently and confidentially.
