**Mt. Laurel, NJ** – March 2, 2015

Everingham & Kerr, Inc. (“E&K”) announced today that Michael R. Blumberg has joined the E&K team.

Prior to joining the firm, Mr. Blumberg spent over 20 years as a management consultant to a boutique firm focused on the High Tech Industry. He has experience in managing all aspects of the acquisition process. In addition to Mergers & Acquisition, Mr. Blumberg has been active in strategic planning, market research, systems planning, and productivity & efficiency improvement for client organizations. His clients have included Fortune 1000 corporations and middle market business owners.

Mr. Blumberg holds the distinction of Certified Management Consultant (CMC) from the Institute of Management Consultants (IMC). He previously served as a member of the Board of Advisors to the Reverse Logistics Association (RLA) and Board of Directors of the Service Industry Association (SIA). He is also past president of the Philadelphia Chapter of the Institute of Management Consultants and the Delaware Valley Region Chapter of the Association for Service Management (AFSMI). Mr. Blumberg is a graduate of Temple University with a BA in Political Science and an MBA in Marketing.

### ***About Everingham & Kerr, Inc.***

Everingham & Kerr is a merger and acquisition advisory firm that specializes in providing intermediary services for lower middle market companies and entrepreneurs. The firm assists clients across all industries and offers various services including mergers, acquisitions, divestitures, valuations, transaction consulting and exit planning. The firm's client base has included public and private corporations, investor groups, individual entrepreneurs, management buyout groups and family buyout participants. Everingham & Kerr's focus is on providing lower middle market companies with highly professional services typically available only from large investment banks servicing much larger clients. The firm provides the resources and highly experienced personnel necessary to ensure maximum results produced efficiently and confidentially.
