

Everingham & Kerr, Inc.

Merger & Acquisition Advisors focused on the Lower Middle Market

Everingham & Kerr, Inc. is pleased to announce that

Physical Therapy Group of Westchester PC has been acquired by a Private Investor

Mt. Laurel, NJ – August 29, 2018

Everingham & Kerr, Inc. announced today that Physical Therapy Group of Westchester PC (*the "Company" or "PTGW"*) has been acquired by a private investor with a background in physical therapy. Terms of the transaction were not disclosed.

Founded in 1984, PTGW provides one-on-one exceptional care by the most qualified, experienced, and licensed physical therapists throughout the entire course of treatment. The Company provides services by NYS licensed experienced physical therapists that evaluate and treat individuals upon a referral by a physician according to the NYS Practice Act for Physical Therapists. PTGW is headquartered in Rye Brook, New York. To learn more about PTGW please visit www.ptwestchester.com.

The private investor is an individual with a background in physical therapy.

Everingham & Kerr, Inc. initiated this transaction, acted as a financial advisor and assisted with negotiations for PTGW.

For more information on this transaction, please contact Joseph A. Vanore, Jr. at jav@everkerr.com or 856.546.6655 x114.

About Everingham & Kerr, Inc.

Everingham & Kerr is a merger and acquisition advisory firm that specializes in providing intermediary services for lower middle market companies and entrepreneurs. The firm assists clients across all industries and offers various services including mergers, acquisitions, divestitures, valuations, transaction consulting and exit planning. The firm's client base has included public and private corporations, investor groups, individual entrepreneurs, management buyout groups and family buyout participants. Everingham & Kerr's focus is on providing lower middle market companies with highly professional services typically available only from large investment banks servicing much larger clients. The firm provides the resources and highly experienced personnel necessary to ensure maximum results produced efficiently and confidentially.
