Mt. Laurel, NJ – September 12, 2018

Everingham & Kerr, Inc. announced today that TrashPro (“TrashPro”) has been acquired by Advanced Enviro Systems, Inc. (“AES”).

Founded in 2001, TrashPro is a solid waste consulting company that specializes in multi-family housing (currently handling over 1,000 properties and 200,000 multi-family housing units Nationwide). TrashPro also provides services advising municipalities, counsels, lawmakers, and courts on the specifics of waste management. The Company is headquartered in Mount Laurel, New Jersey. For more information, please visit www.yourtrashpro.com.

AES is an environmental services provider offering comprehensive, cost-effective and customized programs for sustainable reduction of waste in all forms. The Company is also waste equipment dealer and reseller, and a one-stop source for all waste reduction equipment, which includes compactors and balers. AES combines experience, technology, and the industry’s most advanced waste management equipment to design and implement all of its programs. AES is headquartered in Camden, New Jersey. For more information, please visit www.advancedenvirosystems.com.

Everingham & Kerr, Inc. initiated this transaction, acted as a financial advisor and assisted with negotiations for TrashPro.

For more information on this transaction, please contact Joseph A. Vanore, Jr. at jav@everkerr.com or 856.546.6655 x114.

About Everingham & Kerr, Inc.

Everingham & Kerr is a merger and acquisition advisory firm that specializes in providing intermediary services for lower middle market companies and entrepreneurs. The firm assists clients across all industries and offers various services including mergers, acquisitions, divestitures, valuations, transaction consulting and exit planning. The firm’s client base has included public and private corporations, investor groups, individual entrepreneurs, management buyout groups and family buyout participants. Everingham & Kerr’s focus is on providing lower middle market companies with highly professional services typically available only from large investment banks servicing much larger clients. The firm provides the resources and highly experienced personnel necessary to ensure maximum results produced efficiently and confidentially.
