Mt. Laurel, NJ – August 31, 2021

Everingham & Kerr, Inc. announced today that Technical Fabrication, Inc. (the “Company” or “Tec Fab”) has been acquired by EITEMCO (“EITEMCO”). Terms of the transaction were not disclosed.

Headquartered in New Freedom, PA, Tec Fab is a contract manufacturer of printed circuit board assemblies, wire harness assemblies, and chassis assemblies. The Company works with both commercial and government customers. To learn more about Tec Fab please visit: www.tecfabinc.com.

Headquartered in Lancaster, PA, EITEMCO designs and manufactures test equipment for the RCA picture tube factory. The business quickly grew into other areas of manufacturing and over the years that followed, evolved into a full service electronic and electromechanical manufacturing company. To learn more about EITEMCO please visit: www.etemco.net.

Everingham & Kerr initiated the transaction, acted as the exclusive financial advisor and negotiated the transaction for Technical Fabrication, Inc.

For more information on this transaction, please contact Daniel R. Everingham at dre@everkerr.com or 856.546.6655 x115.

About Everingham & Kerr, Inc.

Everingham & Kerr is a merger and acquisition advisory firm that specializes in providing intermediary services for lower middle market companies and entrepreneurs. The firm assists clients across all industries and offers various services including mergers, acquisitions, divestitures, valuations, transaction consulting and exit planning. The firm's client base has included public and private corporations, investor groups, individual entrepreneurs, management buyout groups and family buyout participants. Everingham & Kerr's focus is on providing lower middle market companies with highly professional services typically available only from large investment banks servicing much larger clients. The firm provides the resources and highly experienced personnel necessary to ensure maximum results produced efficiently and confidentially.
