*Everingham & Kerr, Inc. is pleased to announce that*

**Byram Laboratories Inc.**  
*has been acquired by a*  
**Private Company**

**Mt. Laurel, NJ – March 17, 2022**

Everingham & Kerr, Inc. announced today that Byram Electrical Laboratories Inc. (*the “Company” or “Byram”*) has been acquired by Private Company (*the “Acquirer”*). Terms of the transaction were not disclosed.

Headquartered in Branchburg, NJ, Byram is a manufacturer & distributor of electrical testing & measurement equipment. It also provides submetering and energy solutions, calibration and repair services. The Company is an ISO 9001 certified world-class manufacturer, distributor, modification center, and calibration facility. Byram has an extensive customer base that spans the world and serves the power generation, power transmission & distribution, construction, government, transportation, OEM switchgear, solar, and process control industries. To learn more about Byram please visit [www.byramlabs.com](http://www.byramlabs.com).

Everingham & Kerr initiated the transaction, acted as the exclusive financial advisor and negotiated the transaction for Byram.

**For more information on this transaction, please contact Joseph A. Vanore at [jav@everkerr.com](mailto:jav@everkerr.com) or 856.546.6655 x114.**

## ***About Everingham & Kerr, Inc.***

Everingham & Kerr is a merger and acquisition advisory firm that specializes in providing intermediary services for lower middle market companies and entrepreneurs. The firm assists clients across all industries and offers various services including mergers, acquisitions, divestitures, valuations, transaction consulting and exit planning. The firm's client base has included public and private corporations, investor groups, individual entrepreneurs, management buyout groups and family buyout participants. Everingham & Kerr's focus is on providing lower middle market companies with highly professional services typically available only from large investment banks servicing much larger clients. The firm provides the resources and highly experienced personnel necessary to ensure maximum results produced efficiently and confidentially.
