**Press Release – October 3, 2022**

Everingham & Kerr, Inc. announced today that Alloy Cast Products, Inc. & Alloy Gridding Services, Inc. (collectively the “Company” or “ACP”) has been acquired by Winsert Inc. (“the Acquirer” or “Winsert”), a portfolio company of Altus Capital Partners. Terms of the transaction were not disclosed.

Located in Kenilworth, NJ, ACP specializes on castings and machine finished parts made from exotic cobalt-based alloys, primarily its trademark REXALLOY ®™ materials in addition to STELLITE products. For more information, please visit: [www.alloycastproducts.com](http://www.alloycastproducts.com).

Located in Marinette, WI, Winsert is a leading manufacturer and global provider of innovative alloy solutions. Winsert provides corrosion-resistant, wear-resistant and high-temperature alloys for various applications within internal combustion engines, aerospace, emission controls, industrial valves, and food processing. For more information, please visit: [www.winsert.com](http://www.winsert.com).

Altus Capital Partners is a private equity firm that makes control investments in middle-market niche-manufacturing businesses. For more information, please visit: [www.altuscapitalpartners.com](http://www.altuscapitalpartners.com).

Everingham & Kerr initiated the transaction, acted as the exclusive financial advisor and negotiated the transaction for ACP.
