Press Release – June 7, 2023

Everingham & Kerr, Inc. announced today that Finelli Consulting Engineers Inc (*the “Company” or “Finelli”*) has been acquired by Universal Technical Resource Services, Inc (*“UTRS”*). Terms of the transaction were not disclosed.

Headquartered in Washington, NJ, Finelli is a civil consulting and municipal engineering services firm that provides its clients with the highest quality engineering, surveying, planning and design services. The Company has experience both in the public and private sectors. To learn more about Finelli, please visit: www.finelliconsulting.com.

UTRS, headquartered in Cherry Hill, NJ, and with offices throughout the U.S. and internationally, provides a wide range of leading-edge scientific, engineering, information technology, and communications services to the public and private sectors, primarily the U.S. Department of Defense. UTRS is always thinking forward to deliver the most creative, high-quality, technology-based services and solutions to our customers on time and within budget. To learn more about the company, please visit: www.utrs.com.

Everingham & Kerr initiated the transaction, acted as the exclusive financial advisor and negotiated the transaction for Finelli.

For more information on this transaction, please contact Joseph A. Vanore at jav@everkerr.com or 856.546.6655 x114.

About Everingham & Kerr, Inc.

Everingham & Kerr is a merger and acquisition advisory firm that specializes in providing intermediary services for lower middle market companies and entrepreneurs. The firm assists clients across all industries and offers various services including mergers, acquisitions, divestitures, valuations, transaction consulting and exit planning. The firm's client base has included public and private corporations, investor groups, individual entrepreneurs, management buyout groups and family buyout participants. Everingham & Kerr's focus is on providing lower middle market companies with highly professional services typically available only from large investment banks servicing much larger clients. The firm provides the resources and highly experienced personnel necessary to ensure maximum results produced efficiently and confidentially.
