SynchrotronAI

Press Release – *September 8, 2025*

Everingham & Kerr, Inc. announced today that SynchrotronAI *(the "Company" or "SynchrotronAI")* has been acquired by a Private Investment Group. Terms of the transaction were not disclosed.

SynchrotronAI is a groundbreaking, patented all-in-one AI platform capable of orchestrating virtually any task—from everyday needs to large-scale enterprise projects—through one unified, single, comprehensive interface. This remote/virtual company has engineered a seamless AI solution that connects multiple advanced tools, making it effortless for anyone to plan, build, and create anything needed without any specialized technical knowledge. It is an unprecedented AI system capable of executing complex tasks from beginning to end, surpassing existing AI tools that offer only basic insights or content generation. The technology was designed to serve diverse audiences worldwide, tapping into new markets and responding to evolving technological trends.
