

Everingham & Kerr, Inc.

Merger & Acquisition Advisors focused on the Lower Middle Market

Everingham & Kerr, Inc. is pleased to announce that

Spider Thermo
has been acquired by a
Private Investment Firm

Press Release – October 12, 2026

Everingham & Kerr, Inc. announced today that Spider Thermo (the “Company” or “Spider Thermo”) has been acquired by a Private Investment Firm (the “Company”). Terms of the transaction were not disclosed.

Spider Thermo specializes in environmental monitoring systems offering customizable, real-time data monitoring environmental sensors, such as temperature, humidity, differential pressure, water, O₂, current/power, and contacts. The Company assists businesses operating in heavily regulated industries in effectively managing environmental monitoring, auditing, and compliance. Spider Thermo utilizes advanced Cellular and Wi-Fi with wired and wireless sensor technology, cloud data management, and mobile-web monitoring. Products are tailored to businesses operating in heavily regulated industries such as forensics, healthcare, pharmaceuticals, agriculture, vaccines, and food service.

Everingham & Kerr initiated the transaction, acted as the exclusive financial advisor and negotiated the transaction for Spider Thermo.

For more information on this transaction, please contact Joseph A. Vanore at jav@everkerr.com or 856.546.6655 x114.

About Everingham & Kerr, Inc.

Everingham & Kerr is a merger and acquisition advisory firm that specializes in providing intermediary services for lower middle market companies and entrepreneurs. The firm assists clients across all industries and offers various services including mergers, acquisitions, divestitures, valuations, transaction consulting and exit planning. The firm's client base has included public and private corporations, investor groups, individual entrepreneurs, management buyout groups and family buyout participants. Everingham & Kerr's focus is on providing lower middle market companies with highly professional services typically available only from large investment banks servicing much larger clients. The firm provides the resources and highly experienced personnel necessary to ensure maximum results produced efficiently and confidentially.
